

INTRODUCTIONS

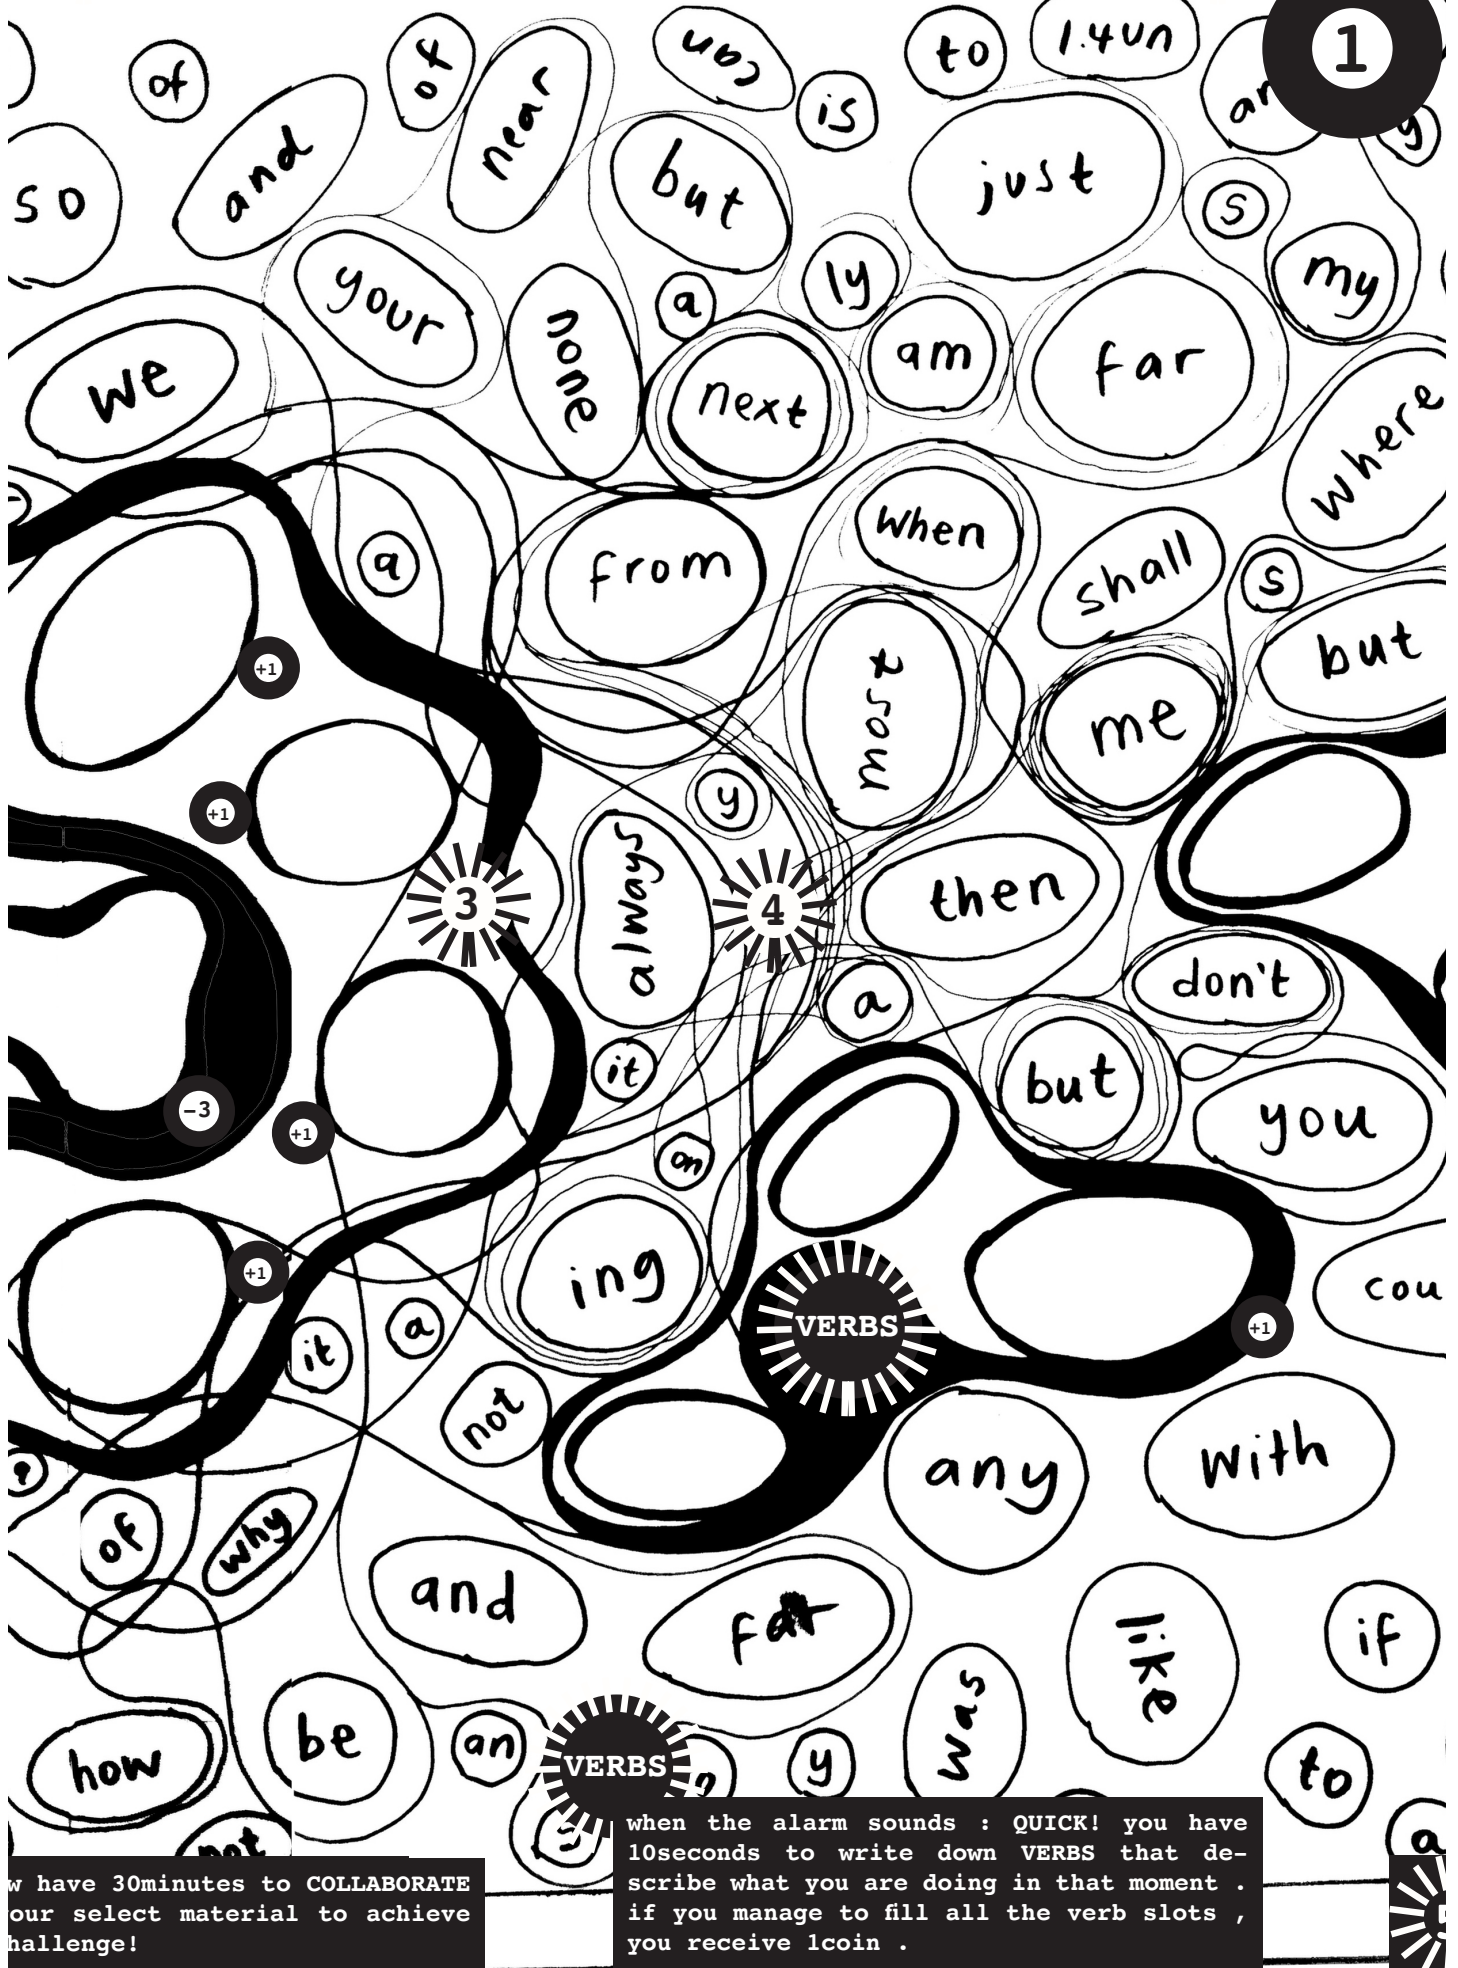

place a piece of your select material in the center and surround it with : * 3properties you have in common with one another * 2properties that differentiate you .

you now
with you
your cha

3 COINS

1

when the alarm sounds : QUICK! you have 10seconds to write down VERBS that describe what you are doing in that moment . if you manage to fill all the verb slots , you receive 1coin .

what do your helper materials have in common ?
for each property you can name , receive 1coin .

-1 coin :
share your frustration
with a friend

```

-2 coins :
draw a < help card >

```

```
-3 coins :  
summon the help of one  
of your helper mate-  
rials
```

-5 coins :
 summon help of completely new material
